

Contest Opens to Select New Fiesta Skipperette

Selection of the 1966 Fishermen's Fiesta Skipperette, chosen at special ceremonies on Sept. 3. A gala Coronation Ball is also being planned, the day and date to be announced within the next few weeks.

CANDIDATES for the title of Fiesta Skipperette must be single, never married before, and between the ages of 18 and 25. They must be residents of San Pedro—or, if not residents, employed in the fishing industry, or have a member of their immediate family employed in the fishing industry.

If selected, the Skipperette and her Mates must be available to pose for publicity photographs, to make radio and television appearances, and participate in all required Fiesta activities.

ALL CANDIDATES selected by the Skipperette Contest Committee will be furnished colorful, distinctive Fiesta outfits, and all entrants in the contest will be invited to serve as official Fiesta Hostesses during the three days of the colorful waterfront funfest—which in-

cludes virtually non-stop street dancing, a carnival, band concerts and the final, exciting Parade of Fishing Boats in the harbor channel.

Skipperette Contest entry blanks are now available at the Fiesta Office, 1204 S. Gaffey Street, San Pedro.

Mothers of Troop 2434 Hold Meet

A summer mothers' meeting was held by Girl Scout Troop 2434 to plan upcoming events for troop members. Progress reports were given on the troop's Blue Chip Stamp Book collection and a

drive to collect clothing and household items for South-west Indians. Mrs. Rose Harris, leader, announced troop members will visit San Clemente, Disneyland, and Universal Studios before school starts. Other activities include a scout-parent picnic, beach party, and bridge-up ceremony. The next meeting will be held Sept. 1.

This year's Skipperette will take over the crown from the reigning queen, lovely Sharon Marler, who was also named Miss San Pedro. As before, two Mates will be selected to assist the title holder with her duties.

According to Mrs. Alice Evich, chairman of the Skipperette contest, and Mrs. Shirley Matterna, president of the women's auxiliary, entries will be accepted up to Sept. 1, and the Skipperette

Workshop For Bands Scheduled

A four-week band workshop will begin Aug. 8, at El Camino College under the direction of Lewis Higuel, El Camino College band instructor. Rehearsals will be held in the Campus Theater at 6:30 Monday, Tuesday and Wednesday evenings.

Activities to be covered during the workshop will include sight reading standard band literature and the preparation of a concert to be performed on the college campus.

"College credit of 1½ units will be granted by enrolling for Music 27 abc," Higuel said. "High school seniors may register for the workshop and earn college credit," Higuel said. "Seniors interested in taking the course should consult their high school counseling staff to request advance placement status.

Adults interested in band music are also encouraged to sign up for the workshop.

"Every effort will be made to make this a valuable and pleasant musical experience for everyone interested in music," Higuel added.

Area Rabies Clinic Here On Thursday

A dog vaccination clinic in the Harbor area has been scheduled for Aug. 11, County Supervisor Burton W. Chace has announced.

The vaccinations are being administered through the cooperation of the Los Angeles County Health Department and the Southern California Veterinary Medical Association.

The Harbor area clinic will be Thursday from 7 to 8:30 p.m., at Wilmington Health Center, 612 E Street, Wilmington.

A charge of \$1.50 per dog will be made to cover costs of vaccine and supplies. Dog licenses will be on sale, too.

The Wilmington clinic is being held in conjunction with 20 evening clinics throughout Los Angeles County during August.

The countywide vaccination program is in its 11th year. Passage of a state law requiring vaccinations 10 years ago prompted the program.

The law has virtually eliminated rabies among the dog population of Los Angeles County, according to Dr. G. A. Heidbreder, county health officer.

Navy Bomber Testing Due

The newest in the series of Navy Skyhawk attack bombers, designated the A-4F, has rolled off the assembly line at the Douglas Aircraft Co. Palmdale plant.

The new aircraft will make its maiden flight in September.

Production of the A-4F and a training version, the TA-4F, under a \$44.3 million Navy contract will be carried out at Douglas facilities in Long Beach, Torrance, and Palmdale.

ORDER NEW JETS

Purchase of two Douglas DC-9 twinjet transports has been announced by Aerovias Venezolanas, S. A., a domestic airline based in Caracas, Venezuela.
